This policy has been written with consideration given to working practices. By adopting this policy, a reduction in workload has been facilitated by reducing the need for individual academies to interpret the policy locally.

This appendix draws from and must be read in conjunction with the [Trust Attendance Policy](#), [DFE Guidance working together to improve school attendance](#) and [Summary table of responsibilities for school attendance](#).

Attendance is everyone's business, and everyone involved with the care of children is equally responsible for ensuring children's attendance. This means schools, LAs, social care, NHS workers and community partners all have a responsibility to see every child in school every day, and to wrap support around that child. All partners should make children's attendance a top priority. Every child should be in school every day, supported and ready to learn. Every child has the right

Dear «salutation»

Re: «chosen_forename» «chosen_surname» - Holidays and Avoidable Absences in Term Time

We believe that in order for a pupil to fully benefit from their education, good attendance is crucial. It is the policy of our school to celebrate achievement and full attendance is a critical factor to a productive and successful school career.

As of September 2013, an amendment to the Education (Pupil Registration)(England) Regulations 2006 came in to force and greater clarity was introduced to the issue of schools authorising absence requests. These changes reinforced the Government's view that every minute of every school day is vital and that pupils should only be granted authorised absences by the school in 'exceptional circumstances'.

A family holiday is not normally considered by the Government to be an 'exceptional circumstance' and therefore will not be authorised by this school.

I must take this opportunity to remind you, that should you choose to take your child out of school without the authorisation of the school, then Parental Responsibility Measures could be instigated. This could mean receiving any of the following;

- A Penalty Notice
- A summons to the Magistrate Court which could result in a fine of up to £2,500 and/or a term of imprisonment for up to 3 months.

Schools are required to notify the Local Authority if a pupil has a number of unauthorised absences. Unauthorised absences can be acquired when;

- 1) Leave has been requested, but the circumstances are such that the school is unable to authorise the leave and it is taken anyway.
- 2) Leave is not requested and/or the school has grounds to believe that the child has been taken out of school for an avoidable reason (example – a family holiday). Only the Head teacher can authorise an absence. This year there have been occasions when schools have been notified that the pupil is sick, but the school later discovers and reasonably believes that the reason given for the absence is not genuine.
- 3) A child continually arrives late after the registration period has closed.

This school will be notifying the Local Authority in all of the circumstances listed above.

Should a Penalty Notice be issued as a result of unauthorised absence then one notice will be issued to each parent/carer for each child involved. Currently, each Penalty Notice is for £120, which is reduced to £60 if paid within the first 21 days. If a Penalty Notice goes unpaid after 28 days, then court proceedings will be initiated.

We understand the disappointment that the refusal of a leave request may cause and we apologise, but as you can appreciate this policy represents the schools responsibility and commitment towards providing your child's education and supporting their future life opportunities. We hope you will support us by ensuring that your son/daughter obtains the maximum benefit from their time at school by attending punctually for the 190 days each year that the law requires (unless prevented from doing so by an unavoidable circumstances).

Thank you for your anticipated support in this matter.

Yours sincerely

 Dear **[Parent Name]**
 Re: **[pupil Name]**

Ensuring the wellbeing of every young person is a priority at **[School Name]** and this is at the centre of our school's attendance policy. An important part of attendance is ensuring that all of our children are in school on time and ready to learn, so as they can make the most of their education and learning.

We are contacting you as **[child's name]** has been late for school **[no.]** times **and/or** or missed registration **[no.]** of times this half term. **[Lateness after the register has been taken is classified as an unauthorised absence and your child will not receive a present mark for the whole session.]**

Children who arrive late are greatly disadvantaged because they miss starting the day with their peers and the beginning of lessons. This means that they are often unsettled and confused about tasks. It is essential that your child arrives at school on time to prevent disruption to your child's own learning and that of others.

We understand that there may be rare occasions when you are unavoidably late due to unforeseen circumstances. On these occasions, please make sure that you contact the school office to inform us when you will arrive.

If you are experiencing any difficulties with punctuality and would like to talk to us about it, please contact **[attendance officer/admin]** on **[contact number/email address]** so that we can provide support if necessary.

Many thanks in anticipation, for your continued and continuing support for **[School name]**, it is very much appreciated.

Yours sincerely

Re: [pupil Name] Attendance at School - Current attendance [%]

Ensuring the wellbeing of every young person is a priority at [School Name] and this is at the centre of our school's attendance policy. We seek to support young people who have been absent from school, whether this is authorised or unauthorised absence.

The Trust has a 100% attendance target for all pupils in school and we will work alongside parents and pupils to achieve this by supporting at the earliest opportunity. We understand that each child's circumstances are different, and we appreciate that occasional absence is unavoidable, however, [pupil name] has been absent on a few occasions resulting in their attendance dropping below 95%.

#We would like to discuss how we can support you and your child to identify any potential difficulties or barriers in school which are impacting on their attendance. If you consider that there are additional issues outside of school which may impact on your child's ability to attend school regularly, it may also be possible for the school to access some additional support through Early Help so if you would like us to look into this with you then please discuss this with us.

I enclose a copy of [Child's name] attendance this year to date and an Early Help Leaflet for your information.

Please contact [form tutor/class teacher name] so any issues that may be affecting attendance can be discussed and we can consider how best to support [child's name] moving forwards.

Dear [Name of parent]

Re: [pupil Name] Attendance at School - Current attendance [%]

It is unfortunate that you were unable to attend the meeting arranged for [date of meeting missed] to discuss [Child's name] attendance at school. The purpose of the meeting was to support your family and child in school and to explore any barriers that may be impacting on their ability to attend school regularly.

Currently [Child's name]'s attendance for the academic year is [percentage]% with total number of absences sessions of absences of which [number of unauthorised absences] sessions have been recorded as unauthorised.

14. Appendix 9: Letter 4 – Final invite to support meeting

Date «date»

Dear [Name of parent]

Re: (pupil Name) Attendance at School - Current attendance [%]

We previously wrote to you to outline our worry that [Child's name] is not attending school regularly and to invite you to a meeting to explore any support we could offer.

This letter is to inform you we are now becoming really concerned about the number of absences your child has had from school. [Child's name] is part of our school community and we want them to thrive during their time with us and for that to happen, we need all our pupils attending 100% of the time.

Currently [Child's name] attendance is recorded as [% attendance] with [no. sessions absent] half day sessions of absence. This attendance percentage will be having an effect on your child's overall education.

Due to this, future absences we will now *only* be authorised if we are satisfied that the reasons for the absence are completely unavoidable. This means we may need medical evidence for any future illnesses. You are invited to provide the school with additional information or documentation to enable us to make an informed decision regarding authorisation for each absence.

We are committed to supporting you and while this letter is highlighting our concern, we really want the opportunity to talk to you so to see if we can offer any additional support so that [Child's name] attendance improves.

Therefore, I would like to invite you into the school on the following date and time.

Date: Enter date

Time: Enter time

With: Enter staff name

If there is someone already supporting your family and you would like them to be invited to this meeting, please let me know as they can also be invited to this meeting.

During this meeting we will explore with you and your child if there is any additional support that can be offered either within school with an Individual Health Care Plan or, it may be possible for the school to access some additional support through Early Help.

If you are unable to attend this meeting, then please contact me on details above at your earliest convenience so we can arrange a more suitable time.

Dear [Name of parent]

Re: [pupil Name] Attendance at School - Current attendance [%]

Following our previous letters [and meetings], [Student's name] attendance has failed to improve and is below acceptable levels.

A copy of [Child's Name] registration certificate is enclosed for your attention, showing a breakdown of sessions' absence and [his/her] overall attendance of [%].

Due to the continuing absences, I will be discussing the present concerns with the Trust Education Welfare and Inclusion Lead, to see how we can best work together in order to improve [Student's name] attendance to [Name of School]. (** DELETED WHERE APPROPRIATE - Unfortunately we are no longer able to authorise any absences for illness unless medical evidence is provided.)

We have arranged a formal Attendance meeting to see if there is any way to avoid referring the concerns to the Local Authority Attendance Improvement Team.

The meeting will take place;

Date: Enter date of meeting.

Time: Enter time of meeting

With: Enter staff name

If attendance does not improve despite the plans in place, The Local Authority Attendance Improvement team will decide on appropriate action moving forward which may include legal proceedings. If a child of compulsory school age fails to attend regularly at a school at which they are registered, or at a place where alternative provision is provided for them, their parents may be guilty of an offence and can be prosecuted by the local authority.

The decision to prosecute rests solely with the LA as an independent prosecuting authority, but in deciding whether to prosecute the local authority may wish to consider:

The level of engagement from the parent and whether prosecution is the only avenue left to demonstrate the severity of the issue to the parent and/or cause parental engagement with the support they require.

I look forward to seeing you at the arranged meeting.

Thank you for your support in this matter.

Yours sincerely

Attendance Lead
