

Literacy

Imagine you have been stranded at sea; write a dairy entry capturing your thoughts. What can you see – look below the water, do you have an imaginary friend, what animals are there and can you see any pollution?

Write a sailing poem, you could use “The Owl and the Pusycat” as a template.

Pirates are a famous group of sailors. Write an adventure story and share it with your family.

History

Mary Celeste, Mayflower, Endurance and Titanic are some famous boats. Choose any boat and write an historical recount explaining how it became famous.

Create a boat timeline:

<https://www.kidcyber.com.au/ships-and-boats-timeline>

PHSE

Imagine you are shipwrecked, explain what 5 items you would take with you and why. Remember you will need to eat, drink, build shelter and entertain yourself.

Watch the clip below about “Becoming a record-breaking yachtswoman”. Afterwards, think of a goal, no matter how big or small, and identify steps to achieve it.

Music

Look around your house / garden for items that create sounds which remind you of being on boat / near water. Can you create a story using these sounds?

DT & Art

Draw or make a boat. You could draw, paint, create a collage, use origami or make a scaled down version. Please send in pictures.

BOATS

KS2 Monday 15th June – Monday
29th June

Geography

The Titanic famously sank on its first voyage, can you draw a map showing the planned route, include countries and key cities. What was blamed for the ship sinking and how did it get there?

Find some of the world’s busiest port around the world. Locate the port on a map and record what type it is e.g. commercial, cruise or fishing. Create some “Port Trump Cards”.

RE

Poseidon was the Olympian god of the sea and king of the sea gods; can you find any other gods linked to boats or water?

PE

Create an exercise routine you can complete in a small area, without rocking your boat.

There is going to be a disco on your boat, create a dance routine that everyone can do in a confined place.

French

Watch the BBC bitesize clip “A fishing trip in Marseille”. Write Down some of the word you recognize and list 10 new words,
<https://www.bbc.co.uk/bitesize/clips/z34ygk7>

Science & DT

Building a model sailing boat, see attached file: How do things float? Use this experiment to help you investigate floating and sinking.

On sailing boats there are lots of simple machines used to make it easier to steer. Can you describe how some of them work e.g. pulley?
