

Year 5 Curriculum Newsletter

Home Learning Expectations

Reading

A minimum of 20 mins a day book reading is suggested for children in Year 5 with additional reading needed for researching their project. There should also be any other reading for pleasure which will support your child in their development of writing as well as reading.

Spellings

We will be learning spellings each week and children will be expected to practice these at home.

Maths

All children are required to do regular times table practice, we recommend that they use Times Table Rockstars to support with this. Times tables are the foundation to other areas of Maths so it is vital children have these skills.

Assessments this term

NFER reading assessments

White Rose Maths assessments

Project

Our current history unit is titled 'Medieval Monarchs', we would like the children to focus on a monarch of their choice to research. They can then present this information to the class in one of the following ways:

- Powerpoint
- Model
- Fact file
