

## Curriculum newsletter-home learning expectations

### **Reading**

I would encourage Year 6 to be reading a variety of different books at home for at least 20 minutes every day. Sharing a book together with your child gives you the opportunity to escape into another world with your child and can be bonding and relaxing. Reading for pleasure will help develop your child's vocabulary, communication, empathy, imagination and concentration.

### **Spellings**

10 spellings will be sent home each week to then be tested in school

### **Times table practice on Times Tables Rockstars**

#### **Assessments this term**

SATS Practice 2022 past papers:  
English reading, Arithmetic, Reasoning 1 and 2.

White Rose Maths assessments at the start of each subject and at the end.

#### **Project options**

##### **Science**

To create a poster showing the scientific effects of heat.

##### **History**

To research the civil rights movement that occurred in America during the 1950s and complete a timeline of events.
