Autumn term 2023

Class

English

In English, we will be using the following texts to develop our writing and language use through the use of art, drama, discussion, group work, independent work.

*The Fox and The Star– Corallie Bickford-Smith.

*A walk in London- Salvatore Rubbino.

*The Great Fire of London– Emma Adams.

*The Journey Home– Frann Pres-

PE

In P.E with Saints, we are developing our football skills. In our class P.E session we are learning the

RE

In RE we are thinking about two key questions: Who is Muslim and how do they live? Why does Christmas matter to Christians?

Maths

In Maths we are covering the following three topics this term.

Place Value:

Focusing on numbers to 100. Looking at tens and ones, partitioning numbers, comparing objects and numbers, using place value charts and number lines, estimating and beginning to count in 2s, 5s and 10s.

Addition and subtraction:

This unit builds upon the work that we have looked at in place value, using our number bonds, adding across tens and beginning to subtract across a ten.

Shape:

Science

In Science, we are learning about light. Questions we hope to answer include:

What is light?

How does light travel?

How do we see things?

Which materials are reflective?

How can we change the size of a shadow?
