

Dear Year R, here is your week's Fairy tale fun themed home learning. Hope you enjoy it, Mrs C x

### Maths activities:

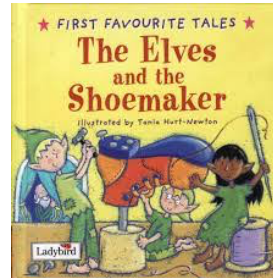

Measuring with shoes. Write down how many shoes long certain items are.

Make a list of things that are shorter than a shoe and things that are longer than a shoe.

Count all the shoes in your house or how many for each member in the house. Extend this to counting in 2's (i.e pairs) Could you arrange the shoes in size (or height) order?

Money- make your own shoe shop, or another type of shop. Make some labels and price tags (keep the pricing simple from 1p-20p). There could be a half price sale or special offers. If possible pay in 1p coins (not 10p,5p,20p)

Measure the magic wands activity sheet. Remember to use a ruler, start at 0 and use cm.

### Film time:

- Shrek
- Fairy tale classics (Cinderella, Snow White, Puss in boots etc)
- More modern films; Tangled (Rapunzel), Brave, Frozen (snow queen)

### Literacy activities:

Listen to the story of the Elves and the shoemaker, Rapunzel, Little Red Riding Hood. Use a book at home, you tube, online story teller or [www.twinkl.co.uk](http://www.twinkl.co.uk)

'Guess who' character descriptions. Using character pictures or a name written and stuck on your forehead you can either ask questions to guess which fairy tale character you are or the other player can describe them.

For dressing up day, write all about the character you would like to become. Say 1 sentence at a time, then write it using your letter sound picture chart to help with sounding out. Remember finger spaces and spelling tricky red words that you know. *Grown ups – Don't worry about spelling, it can be as*
