

Year 5 Homework: Wednesday 11th November

Due in: Monday 16th November

Spellings:

colour	beautiful	Occasion
independent	curious	there
their	they're	there
sure		

Maths

These are line graph queries this week so please can you complete the work on the handout that is in your homework book.

Poetry

Think of Morpurgo's 'Where my Wellies Take Me' and how the character Pippa uses poetry to make links with specific points of her walk around the Devon lanes and on the farm.

I'd like you to research online or in a book and find a different poem (that isn't in 'Where My Wellies Take Me') that connects to a particular part of our Beacon walk in a similar way. It could be a poem about how you felt at a particular point of the walk or about something that you saw. Any link that interests you and any poem that you enjoy reading.

You can write or print it out. You will be using this in our English lessons next week.
