OPTIONAL Dive Deeper:

I am thinking of a number.

I multiply it by 100.

The answer has the same digit in the thousands and hundreds columns.

The total of all the digits is 8.

What could the number be?

Christmas Around the World

Christmas is one of the most celebrated holidays around the world. But does everyone enjoy the same traditions that we do in the UK?

Can you please research the Christmas traditions from a different country? For example, you may choose to research how they celebrate it in France, or Germany or in Mexico?

Could you please remember to include how to say 'Merry Christmas' in the language of your chosen country.
