

In addition to the peripatetic lessons we have on offer, all of the children in KS2 have whole class tuition in an instrument at least one term in an academic year, as part of their timetabled music lessons.

Children also have the opportunity to join the school choir, who perform regularly in the community, and the school band, which is open to players of all instruments.

We value the arts highly at our school, and aim to maximize opportunities for our pupils in music!

At our school we pride ourselves on the musical instrument tuition we can offer. We have excellent tutors, who teach a wide range of instruments.

If your child is interested in learning an instrument which is not currently offered, please contact our music lead teacher, Lisa Rowe on lisa@chagford-primary.devon.sch.uk and she will try to find a teacher for you.
