

Fairy tale themed potions from Mrs Culverhouse's magical spell book.

See if you can make some of these potions at home. Maybe you can create your own potion... what does it do, what will you put in it? Think up your own spells, do they rhyme?

Ingredients vary depending on what you have at home.

*Blood = red water,
magic powder = bicarbonate of soda,
green slime= washing up liquid,
unicorn tears= blue water,
sleep dust= crushed cornflakes,
sunshine = yellow/orange water,
fairy dust= glitter*

Happy potion making Year R, don't turn yourself into a frog! Send me your photos or your own potions for my spell book.
