

SUMMER READING ADVENTURE

Introducing our Summer Reading Adventure!

A fun, exciting celebration of the world of reading that will encourage young readers to take a journey through a range of fiction and non-fiction titles to broaden their reading horizons. Aimed at Key Stages 1-4, there are 6 recommended titles for each Key Stage and every title will be available for customers to order at £1 off from myself.

Each Key Stage has an activity passport that will encourage children to check off the books they've read and jot down their views on them.

Prizes will be available for anyone who completes the summer reading challenge.

All titles are listed in on the USBAH Summer Reading Adventure blog and are available whilst stocks last.
