

Year 4 Curriculum newsletter- home learning expectations

Reading

The children will be bringing their reading for pleasure books home and we recommend them reading at least 3-times a week at home.

Spellings

The children will bring home 6-10 Year 3/4 words each week to practice spelling at home. Those who are on the RWInc program will bring separate words to practice at home.

Maths

Times table rockstars and Timestables.com are both very effective ways for the children to develop their Times-Tables. In addition, other work on Fraction, Decimals and Length & Perimeter will also be sent home when applicable.

Assessments this term:

Multiplication times table check

NFER reading assessments

White Rose Maths assessments

Egg sheets to assess writing

Project options

1. History project -Designing and making your own Anglo-Saxon shields.

2. Science (light) project - Sunshine shadow tracing.

These can be brought into school during the week of 18.3.23 for sharing and celebration.
