

Monday 1st February Year R - Home Learning

This week we are thinking about police and rescue superheroes

PE – Enjoy learning some new moves with Oti. You might want to play the episode a few times to learn the routine

<https://www.bbc.co.uk/iplayer/episode/m000jsnw/otis-boogie-beebies-series-1-5-feeling-good>

Maths- Today we are thinking about the number 7. Complete the activity as shown on the class webpage, arranging 7 spots on the domino. How many different ways could you arrange the spots? You could draw your dominoes and the spots or use finger paints or stampers.

There is also a number formation practise sheet. *A grown up could always draw the numbers with a highlighter pen for you to trace over instead of printing the page.*

Phonics- Live lesson at 10am. See you then. There is also a 'spot the ou sound' sheet you can use after the session, this can be found on the class webpage.

Literacy- You could pretend to be a fire fighter and squirt water over words and letter sounds.

sight word
SPRAY

An adult writes some special friends (you can either do this with chalk outside or on pieces of paper), fill a water pistol, syringe, spray or squeeze bottle and squirt the special friend that your grown up says.

Once you've become super fast at this, you can write some words with our special friends in them (for example stir sleep play stair) and squirt them as you read the words.

Find out more about firefighters by watching the video made by Devon Fire Service.

<https://vimeo.com/498326502> The password for the video is: peoplewhohelpus

Imaginative role play- Make your own role play emergency services call centre. You'll need a pretend phone to take the calls and advise each caller what to do. (scenarios can be found on the class webpage)

There are also emergency service colouring sheets to choose from on the class webpage.

Story- https://www.youtube.com/watch?v=tf_ZD-1XykE Hear the story of Charlie the firefighter.

This week is also Children's Mental Health Week. The **SCARF** resources we use have activities for each day this week. <https://www.coramlifeeducation.org.uk/scarf-at-home-keeping-happy-and-healthy-during-lockdown-share-your-scarf-special>

Please continue to use your **Evidence me app** to take and upload photos and a message of the day's learning to stay in touch. sculverhouse@southtawton.org to email with any questions or comments.
