

Wednesday 13th January Year R - Home Learning

Maths- practise your counting and number writing with this missing numbers sheet. You can extend this by asking your child to put a counter or object on certain numerals. For example; “cover 1 more than 18, cover 2 fewer than 20, 3 more than 10.” *You can draw out the sheet rather than print if needed.*

PE – Saints PE session, streamed for our class, live at 10am. Please click on the link I emailed. These live PE lessons will be taking place each Wednesday at 10am. You’ll need sensible PE clothing and footwear to exercise in, a ball and a drink.

Literacy- Have a read of the comic about animals (see attached sheet or read on screen). Use your best Fred talk to read each word. It’s a long comic so you might want to split into 2 sections. There is also an outline for drawing your own comic pictures too if you would like. You can practise speech bubbles from yesterday. More on this tomorrow.

Phonics- Due to the live PE lesson, our Wednesday phonics will be moved to **Wednesdays at 1pm**. Same zoom link as other days, just note the time difference today only.

Craft- Can you design and make some other Superhero themed items. Perhaps a jet pack, cape, mask, weapon, helmet, gadget. I can't wait to see what you make.

Walkie talkie

paper plate masks

Bottle Jet Pack

bottles as a jet pack

Storytime- Today we have a great episode of Biggleton to enjoy. Freezegirl uses her superpowers to help the people of Biggleton recover a stolen statue.
