

Thursday 21st January Year R - Home Learning **Evil pea strikes again!**

PE – Join a Joe Wicks ‘PE with Joe’ session from his you tube channel.

Phonics- Live lesson at 10am. I will be reading another story from the Supertato series. Let’s find out what Evil Pea has been up to today.

Literacy – reading and colouring activity to practise the special friends sounds we have learnt this week and last. You can also arrange your letter sound cards to make the words and think of other words too.

Science Investigating- Evil pea liked the freezer in the story I read during our live lesson today. Can you put some items in water and investigate what happens when they are put in the freezer? How can you make ice? How can you melt items that are put in the freezer?

Story –Carrot Club <https://www.youtube.com/watch?v=kSvSi29krQo>

Maths- You might want to hear the story in the link above before you complete this. Then complete the vegetable themed addition activity sheet. Can you write the entire addition sum? E.g $4 + 5 = 9$
You can also continue with adding 2 amounts of fruit, vegetables or other items at home in practical ways.

Creative- Spend some time getting ready for our Superhero themed dressing up tomorrow. What is your superhero name and special powers? Do you have a sick kick, equipment or props? Tomorrow, we will each have a chance to tell each other about who we have dressed as.

Music- Enjoy an interactive singing session from Wren music. You can learn this sea shanty, it’s great fun and has some actions to go with it. <https://www.youtube.com/watch?v=Qaju27G8xkY&t=499s>

Please continue to use your **Evidence me app** to take and upload photos and a message of the day’s learning to stay in touch. sculverhouse@southtawton.org if you need to email with any questions.
