

Friday 29th January Year R - Home Learning

Phonics- Live reading and writing session at 10am.

Literacy –Read the sentences from the class webpage activity sheet. You can read them on screen or printed out, then draw your own picture about each sentence.

Maths- We are continuing our capacity learning from yesterday. Measure out 250ml of water and colour it with squash so you can see it more easily. Have a selection of different sized bottles and containers to pour it into (a funnel would be most useful here). Explore what happens to the level of the liquid when it is poured into each container.

You can keep practising your pouring and measuring in the bath tonight too!

Music- Enjoy this music lesson singing rhymes where you will tap out the beat and a rhythm.

You will need something to tap (like two sticks, a drum, or your hands)

Friday PE and pamper time- for our PE session today I thought it would be nice to practise some massage skills. I

would usually try peer massage with Year R, but I have not been able to do so with this class due to social distancing.

My favourite massage is called 'make a pizza' and all the moves can be done on someone's back (don't forget to ask them if it's ok first). Roll out the dough, spread on the sauce, grate the cheese, chop the topping, sprinkle the herbs. Leave your hands on for baking and then slice it up, don't forget to gently blow on it to cool it down.

There is also a weather massage on the class webpage. Don't forget to swap and have a massage yourself.

Now it's time for some other pampering. Maybe you could use some hand cream and give or ask for a foot or hand rub. You could paint nails, brush hair or play some relaxing music. You could set up your own spa at home! Some of you might prefer an outdoor experience in the fresh air to help you relax.

Can you help yourself and your grown-ups feel relaxed?

Story- <https://www.bbc.co.uk/iplayer/episode/m000hsff/cbeebies-bedtime-stories-750-tom-hardy-under-the-same-sky> Under the Same sky is read by Tom Hardy and reminds us that though we are not seeing each other at the moment, we are not far away and we are thinking of each other.

These are some of the birds that you might see. You can use the tally to help you count. You'll find lots of tips on identifying birds as well as their calls at [rspb.org.uk/birdwatch](https://www.rspb.org.uk/birdwatch)

The RSPB is a registered charity in England and Wales. 201905. In Scotland SC030564.

29-31 January 2021

Something for the weekend? Miss Chalcraft sent an email about the RSPB garden bird watch 29th – 31st January. Why not take a look in your garden and see what you can spot.

Please continue to use your **Evidence me app** to take and upload photos and a message of the day's learning to stay in touch. sculverhouse@southtawton.org if you need to email with any questions.
